Continuation of Substance of Interview including description of the general nature of what was discussed: An IDS was submitted 9/21/05. The IDS did not meet the requirements of 37 CFR 1.97(d). Furthermore, the IDS would not be considered due to the inability to process the great number of documents listed. Applicants requested that an examiner's amendment to correct the claims not be entered in the instant application in order that an RCE may be filed to allow consideration of the IDS.
